Airlog 1982
Volume XXIX

THE EVENTS

Whodunit

As every mystery must have its victims, every year must have its casualties. Although some losses were more severe than others, each one of them was costly. The 1981-1982 school year witnessed the loss of many victims, such as the N.Y. Yankees to the L.A. Dodgers in the World Series, the Cincinnati Bengals to the San Francisco 49's in the Superbowl, and Thomas Hearns to Sugar Ray Leonard for the welterweight title. General Dozier was a victim for forty-two days during his kidnapping by the Red Brigade. "Reaganomics" was the issue and the victim in a controversial interview with David Stockman in the *Atlantic Monthly,* and we were the victim of "Reaganomics" as the unemployment rate hit 8.9%. Airplanes and their passengers were victims when Braniff, the eighth largest airline, went bankrupt and when Air Florida 737 struck a bridge over the icy Potomac River on take-off from Washington National Airport — killing 78. Both Great Britain and Argentina suffered losses because of the turmoil over the Falkland Islands, and everyone suffered the losses of Natalie Wood from a drowning accident, John Belushi from an overdose, and Anwar Sadat from an unknown assailant during a parade. But for every mystery story there is a happy ending, and the same applies in this situation. The string murders in Atlanta ceased with the arrest and sentencing of Wayne Williams. The World's Fair in Knoxville provided entertainment and education for all those who went. It was a year of celebration for the third voyage of the Space Shuttle Columbia, the 100th birthday of the birth of Franklin D. Roosevelt, the awarding of Rick Springfield's first Grammy, and the royal wedding of Prince Charles and Lady Diana. But probably most remembered will be the good times shared by everyone at Butler High School.

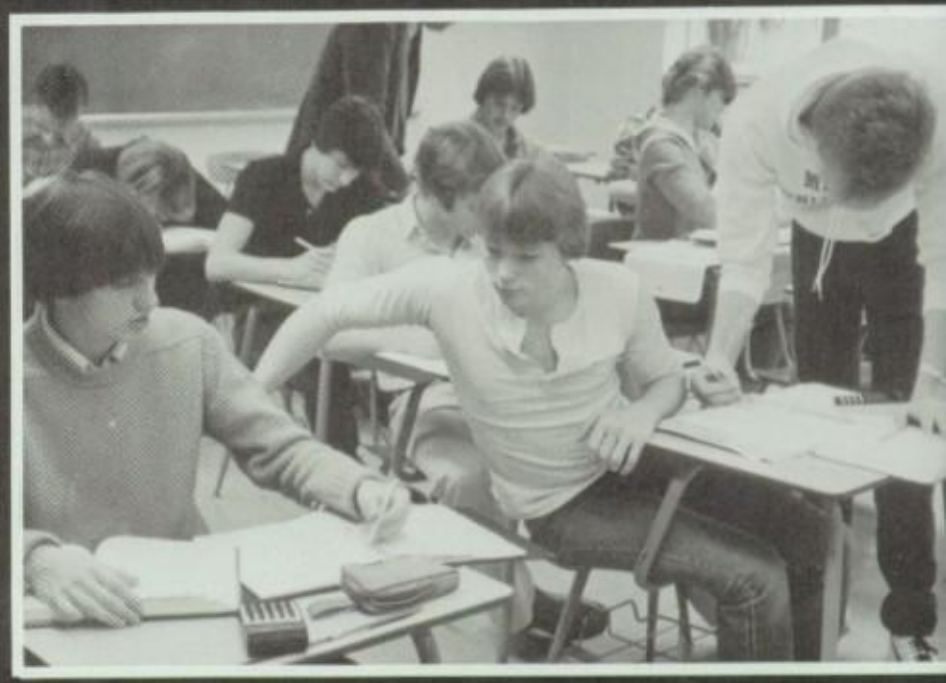
SCHOOL LIFE



MOCK WEDDING

The Lifestyles class at Butler had their annual mock wedding. Steve Kreusch took Tammy Scott to be his lawfully unwed wife. Mr. Fred Gilbert posed as the minister for the ceremony. The maid of honor was Dawn Clark while Wade Hudson was Steve's best man. Acting as the father of the bride was Lonnie Hathaway. All of the men were sharply dressed in tuxedos from Gingiss Formal Wear, and the gowns were donated by Miss J's Bridal Shop and Athens's. The wedding gave the class the experience of taking part in a wedding. The audience and everyone taking part in the wedding had a good time.

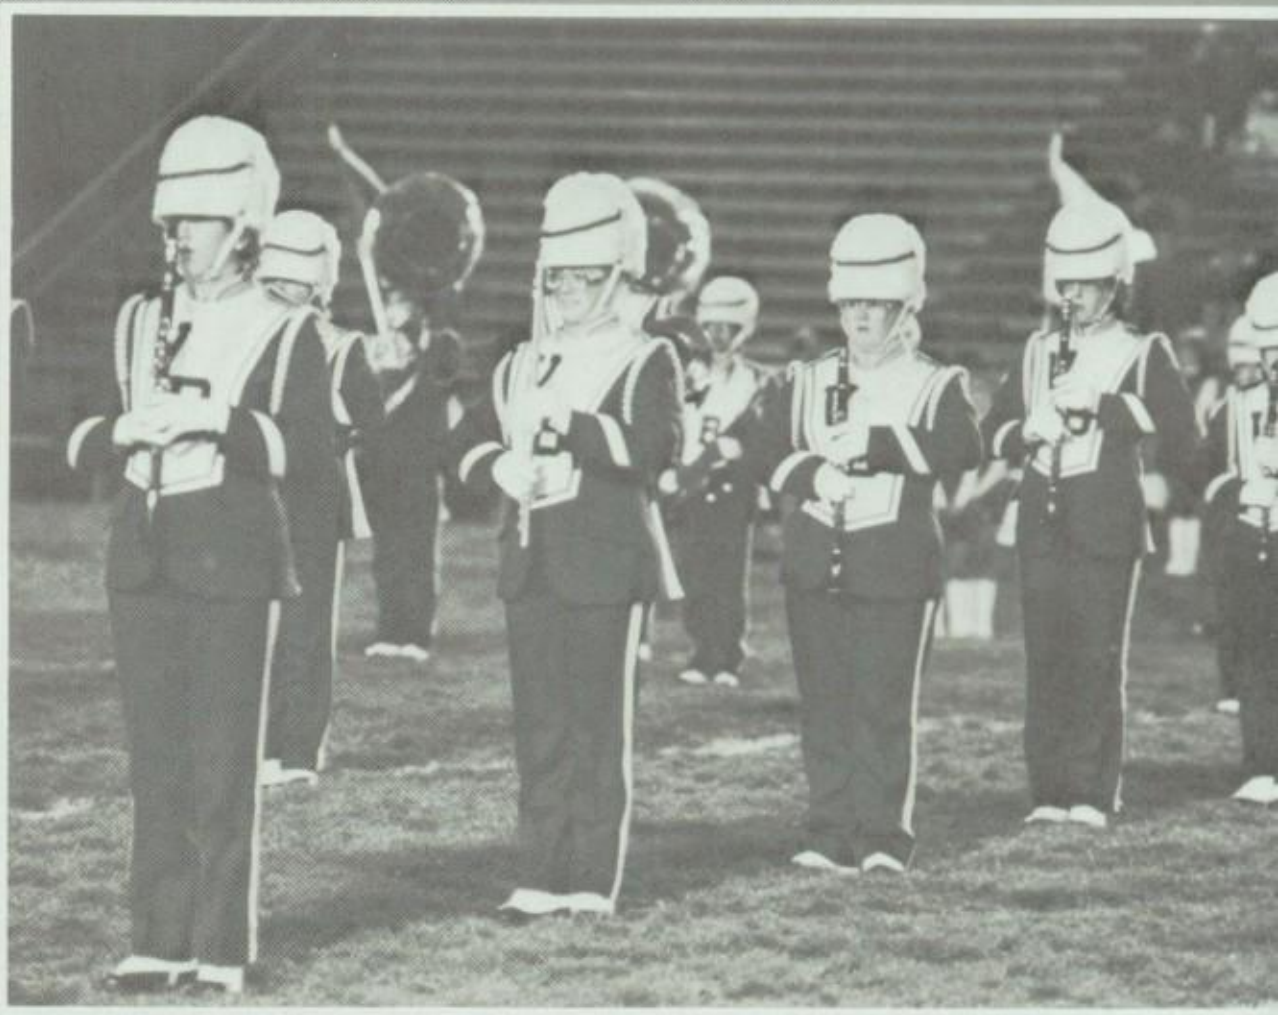
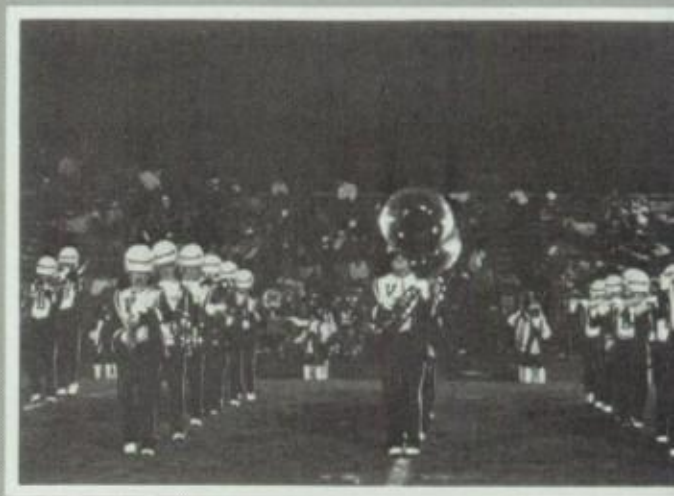
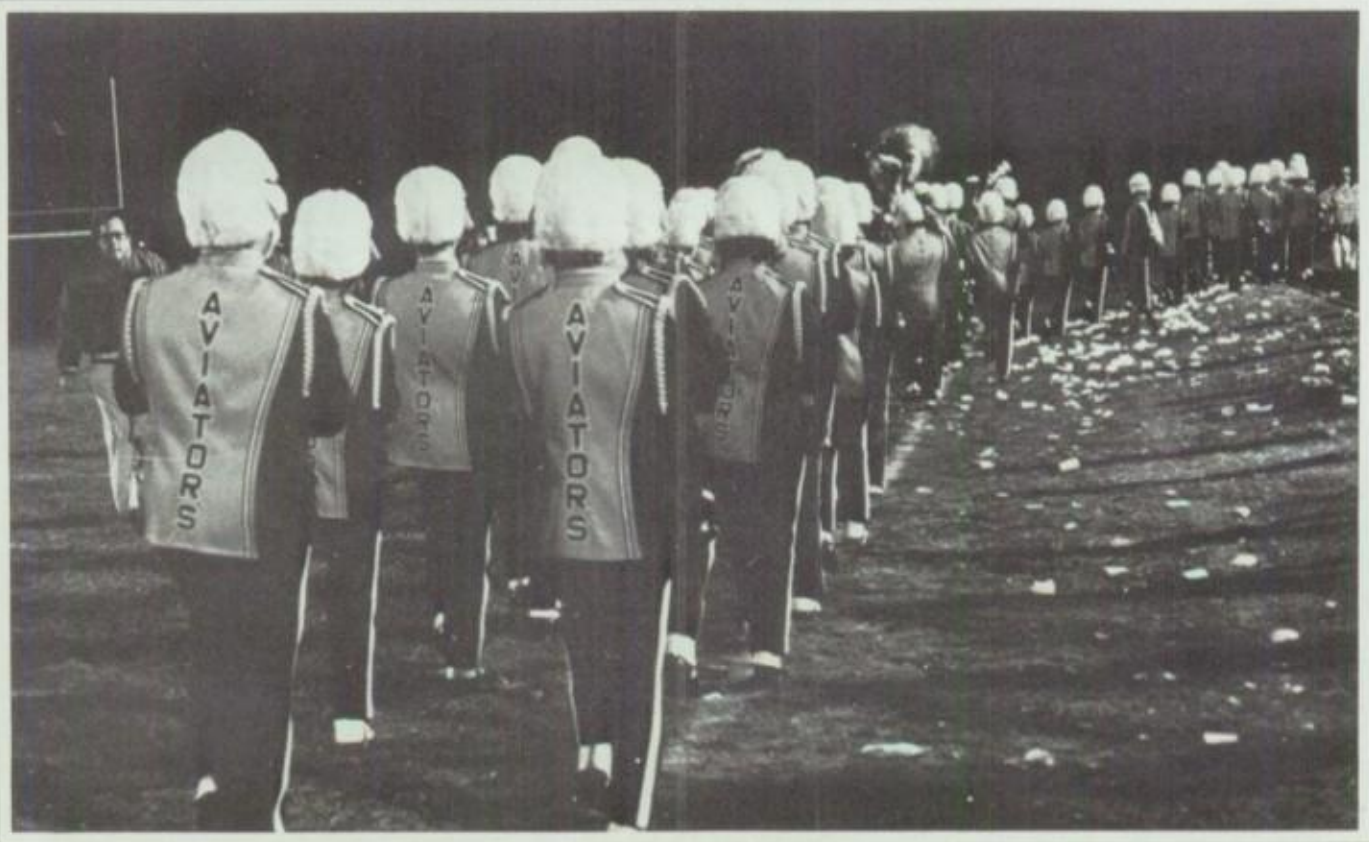
MARCHING BAND

Marching season started with a week long practice in mid-July to prepare for the Air Fair Parade. The band played in the parade on July 24, making their 1981 debut in new summer uniforms. The next week, the group went to Band Camp for the first time ever. The week long practice session was held at Bluffton College. The camp was very successful, and started the season on a high note. The band continued to practice and gave their first performance at Meet The Team Night.

The band continued their practice of presenting theme shows, this year taking a look at "That Good Gospel Beat", "A Salute to the Royal Wedding", "The Sensuous Sixties", and a special homecoming theme show featuring the Aviation Show Choir. This was another first, having both chorus and band featured at halftime.

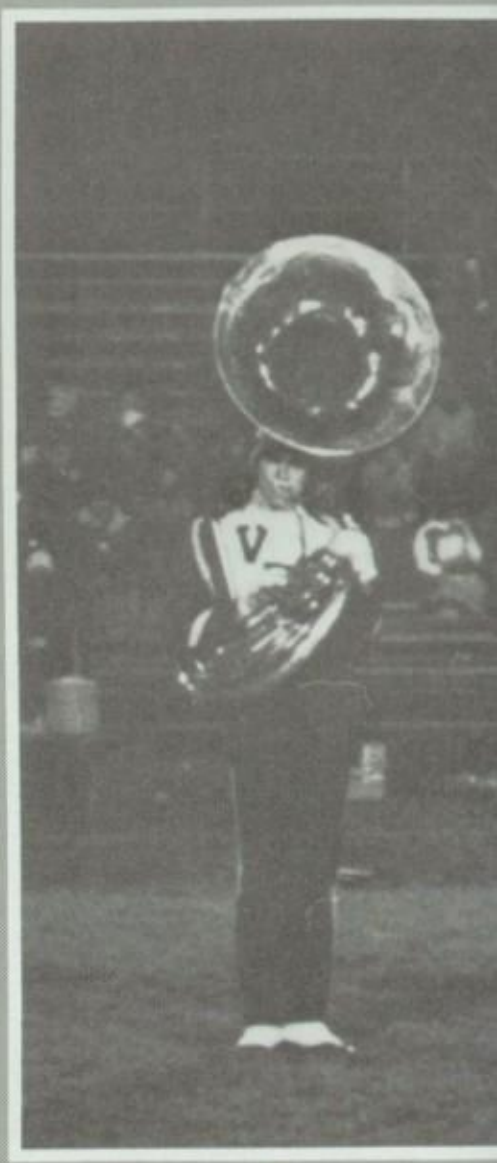


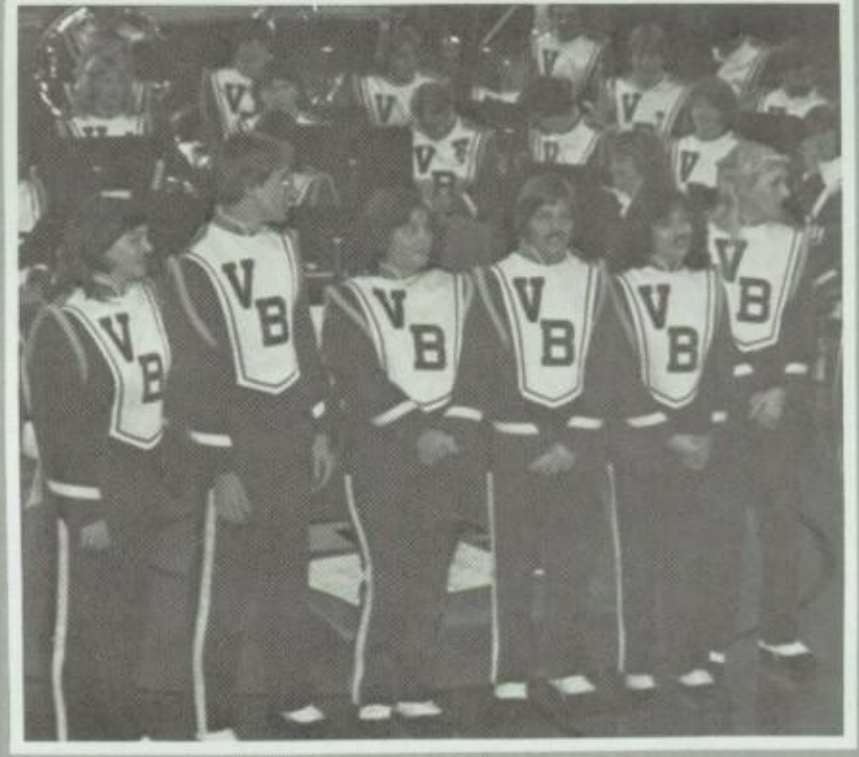




AVIATORS
AVIATORS
AVIATORS
AVIATORS

Besides performing at all Aviator football games, the band performed at the Northmont and Wayne Band Festivals, as well as at the Piqua and Chaminade-Julienne competitions. The highlight of the season, however, was the Vandalia-Butler Marching Band Festival, which featured the Ohio State University Marching Band and the incomparable "Script Ohio". Near the end of the season, the band traveled to our five elementary schools to present a short program. Finally, the marching season ended with the traditional Marching Band Appreciation Concert." The group reviewed the highlights of the season and made a special presentation to the senior members and their parents. With the playing of "Hang On Sloopy", the marching horns were put away for another year.

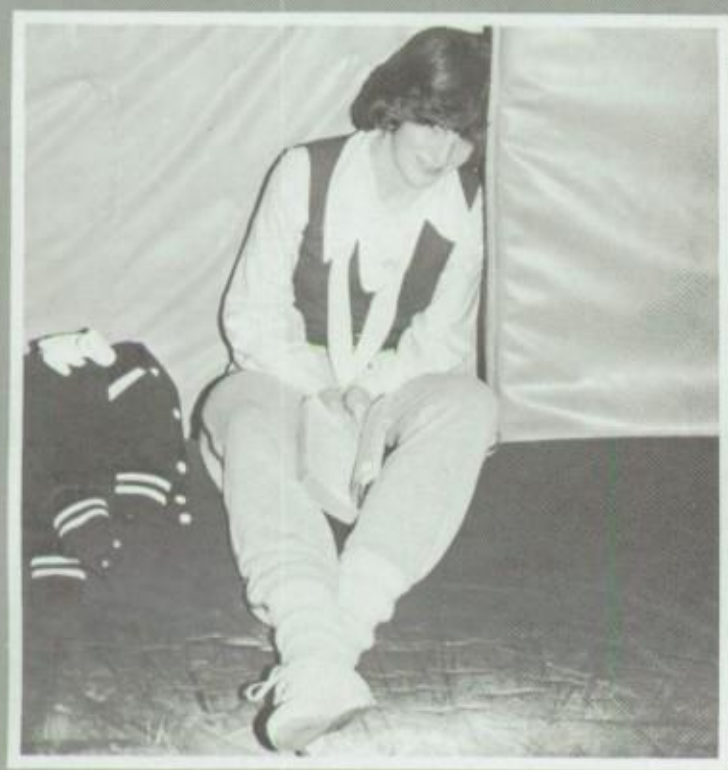




FALL CHORAL CONCERTS

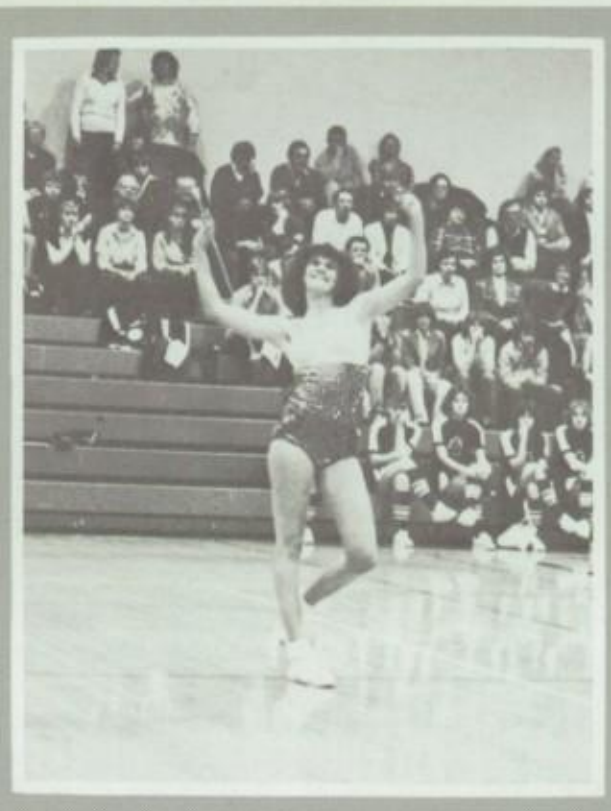
This years choir season opened with a combined concert of all the choirs from Smith, Morton, and the High School. The Concert Choir sang "Let's Begin Again", "Ezekiel Saw the Wheel", and "If You Only Believe". The Aviation Show Choir performed "On Broadway", "Tradition", "Day by Day", "Cabaret", and "Side by Side", and "Let's Start a Celebration". This concert was a terrific base to start a great season. The next big event for the Aviation Show Choir was their performance during halftime at the homecoming football game. This was a first in Butler history, but its huge success will make it another homecoming tradition. The choral department has a lot of things planned for the rest of the year. They hope the rest of the year goes as well as the first part.

First row: Melissa Lensch, Cheryl Bibb, Renee Gerrard, Pam Webster, Shelley Moloney, Lura DeCamp, Pam Bond, Ginny Becher. 2nd row: Jennifer Shroyer, Tawnya Taylor, Amy Nightwine, Anita Lainhart, Stephanie Ponte, Wendy Cook, Lynda Leaf, Lora Peterson. 3rd row: Karen Stolle, Michele Simon, Rhonda Stoltz, Kim Bush, Krista Bahr, Jackie Funderburg, Libby Protsman, Sheila Harrington.

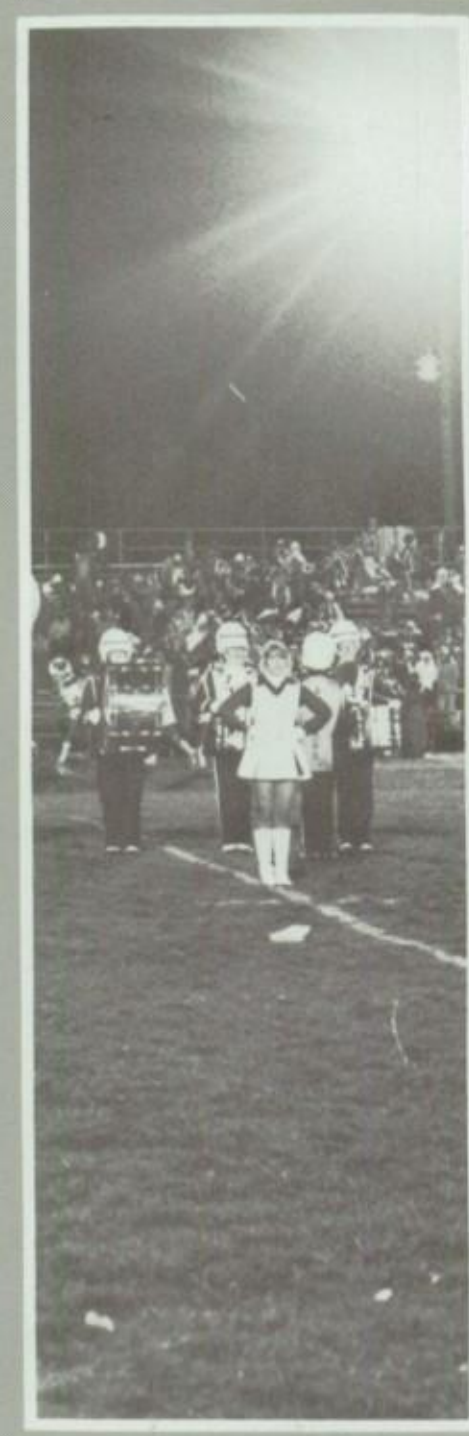


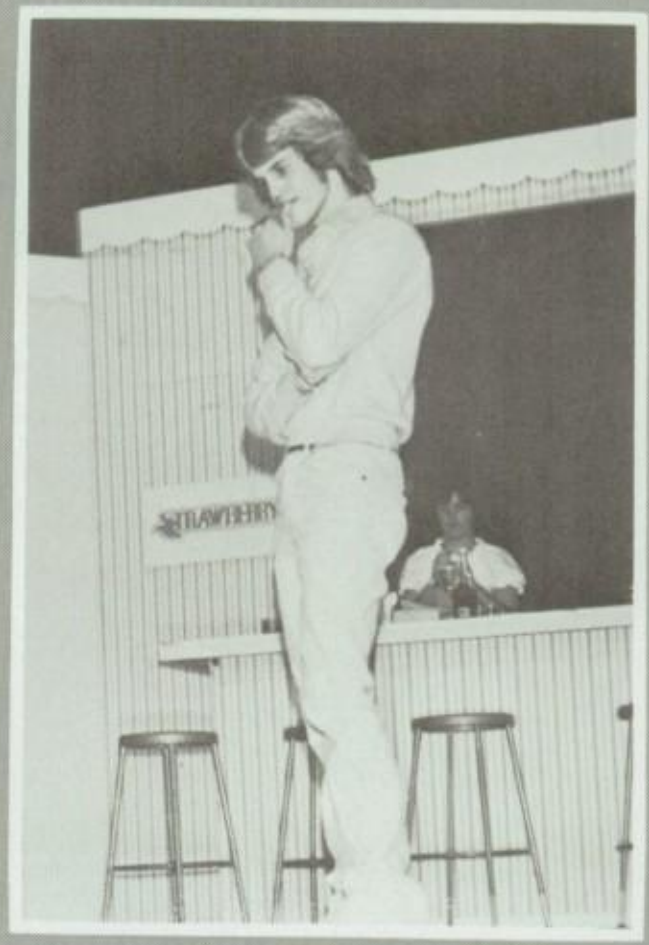
KICKLINE

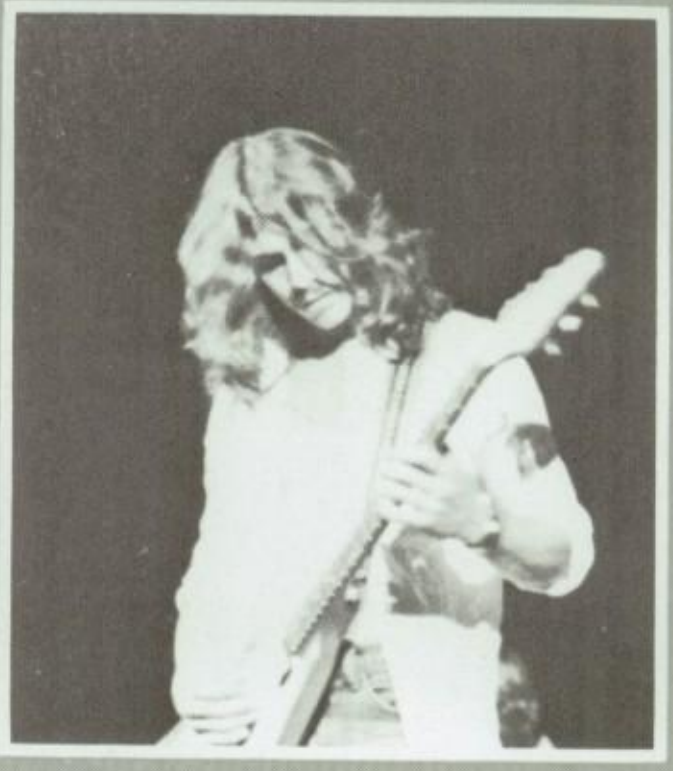
The 1981-82 Butler Kickline, which was composed of 23 girls, was very successful. After a competitive tryout last May, the girls prepared for a week of rigorous training at Bluffton College for Band Camp. This year's kickline was under the direction of Pam Webster and Captain, Sheila Harrington. They performed their halftime shows during football and basketball seasons. They also did very well at their competition. The kickline's annual Turnabout dance was a huge success.



Kneeling: field director, Gayle Duplinski. Standing: feature twirler, Babs Foreman.







TALENT SHOW

ce again, the talent show had an ex-
otional turnout. Some old faces re-
ned while new faces were introduced.
e entertainment was started by Raelyn
nell soloing "Midnight Blues". Also, a
o was sung by Danette Cooper. Fur-
rmore, Jackie Cornwell and Tammy
well sang a duet entitled "It Was Al-
st Like a Song". Finishing out the
sical portion of the show, Lori Towe
yed a piano solo, the Vandals, who
d been in previous shows, sang three
k-n-roll numbers, and Eric Farley and
nn Taylor played some more rock-n-
. Humorous material was done by Ka-
Stolle, Dave Storch, and Jamey
nte. Not only did they make the audi-
ce laugh, but Kevin Accurso and J.L.
ghes did as well in their portrayal of the
kersons. Commercials were done by
ke Podoyak and Paul Morgan. So,
ce again the Talent Show here at Butler
s another entertainment success.

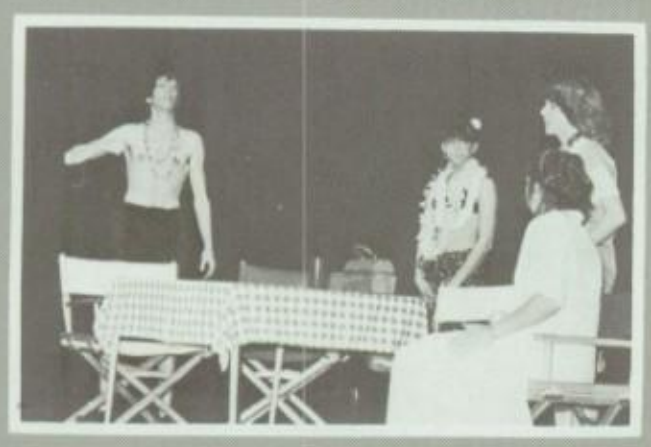
A NIGHT OF ONE ACTS

The Drama Club sponsored "A Night of One Acts" in the Auditorium February 9. The Four plays performed that night were "Natives are Restless," a comedy about head-hunters and kidnapping, "Fumed Oak," an unpleasant comedy about marriage, "Who-dunit?," a comedy-murder-mystery, and "The Torchbearers," a hilarious look behind the scenes of a poorly organized play. The Night of One Acts was put on mainly to showcase the established acting skills of those who have been in plays before and the newly found talent of those participating in their first play. The four plays were put together after only four weeks of set construction, memorizing the lines, and rehearsing for the night of production. Mr. John Kuhns did a brilliant job of organizing everyone so the plays would be ready on time. He also directed the plays with the help of student directors Paul Morgan and Pete Ray for "Natives are Restless," Brian Court for "Fumed Oak," Mike Podoyak for ""Who-dunit?," and Michelle Montgomery and Jennifer Shirley for "The Torchbearers." Although the Night of One Acts was performed on a day which was cancelled due to snow, the plays attracted a larger audience than had ever before been to a production of that kind.

I'm sorry, no tie.

Don't Spill.

At least you feel okay.



Me Cromo, You . . .

Pete! you spit in my eye.

I will not laugh at her shoes.

I dare you to hit me.

He's got to be kidding.

I know she's dying to hold my hand.

I just sewed this to my dress.

Now listen here.

Mike, you can get up now.

Well, am I beautiful

Alright, nobody move.

Stop starin!

Whodunit??

Boy, isn't this thrilling!

When will you learn?

Mr. Twiller ready for action.

Watch out for that . . .

Thanks! I needed that.

I write the songs.

Monkey see; Monkey do.

Oh, my foot!

Is that really me?

A lady in waiting.

Mirror, mirror, . . .

A reunion of sorts.

Perplexed!

What a holiday!

A romance?

The face says it all.

Say what?

Confused?

A moment of seriousness.

What's my next line?

What a princely manner.

Could you give me a hand?

Thank God for Gingiss.

Step it up.

Dad, can I have the car tonight?

We could spend the winter on the Riviera, or at Kings Island.

Is that your perfume, or is something burning?

The kiss of Death.

They always fall for me.

Laugh and the world will laugh at you.

Who dropped their gum on the floor?

Dressed to kill.

When the Baron talks, people listen.

Is this gum on my pants?

I'm dang glad to meet you!

It was this big!

FOOTBALL TURNS AROUND

Lewis Goes Straight Ahead

The 1981 Vandalia-Butler Football Team recorded an excellent 9-1 record, a total turnaround from last year's 1-8-1 record. The Aviator offense was led by Senior tailback Doug Lewis who gained 1,427 yards on 217 carries and scored 9 touchdowns for 54 points and earned the Most Valuable Player award. Senior quarterback, Ed Willke, another offensive standout, completed 54 passes in 107 attempts and earned best offensive back honors. Voted best offensive lineman was Brad Donathon. He was the anchor of Butler's Veteran Offensive line with his bruising blocks. Wayne Campbell was voted Butler's Most Improved Player. He collected 31 tackles and assisted on 41 stops. Butler's captain, Tim Baughman, was voted by the team as the Best Defensive Player. He led the defense in tackles with 56, and he assisted on 42. A memorable decision Tim made was after he had won a coin toss to begin the Baker game. He elected to kickoff, thinking Butler would get to receive at the beginning of the half. Instead, we kicked off at the start of both halves. Seven Aviators received 1st team ALL-MCC honors. They were Chris Davis, Cory Brusman, Dave O'Cull, Lewis, Donathon, Campbell, and Baughman. Greg Stacy and Jim Wells made the 2nd team selection. Doug Lewis was also named special mention All Journal Herald and honorable mention in the Dayton Daily News. Cory Brusman, Junior kicker received first team All Journal Herald and was first team on the Dayton Daily News selections. Dave O'Cull, a Senior split end, received first team All Journal Herald and was named to the Dayton Daily News second team. Tim Baughman, linebacker, received special mention All Journal Herald and Honorable Mention in the Dayton Daily News.

RESERVE SOCCER MAKES COMEBACK

Johan Comes To Play

Coach Lenny Maenza said he was very pleased with his team this year. The Reserves got off to a slow start by not scoring a single goal the first four games, but ending the season with a record of 6-6-4, winning the last three games. Mark Coscueluella and Scott Ault were the reserve captains this year. Donnie DeHart was the leading goal scorer with eleven goals. Donnie could never have been so effective, as a goal scorer, without the support of the defense. Johan Trulsson and John Snorf were outstanding defensive players. Johan as fullback and John as goalie made a solid backbone for the defense. Coach Maenza said, "It's not just a few people who make a good season, it's a team effort." Mr. Maenza also felt that the teams outstanding spirit and desire to play well will be a big asset to the Varsity team next year.

Schwab Serves As M.V.P.

The 1981 Varsity Volleyball Team had a MCC record of 3-5. It was a very young team consisting of only three seniors: Joy DeArmond, Vida Gecas, and Paula Schwab.

As a result of the team's improvement throughout the season, they won their first match of the tournament by beating Sidney. The Aviators then had to play the number one seeded team, Fairborn Baker. They lost the last two games 13-15, despite winning the first game 15-10.

The Most Valuable Player for the 1981 season was Paula Schwab, and a tie for Most Improved went to Beth Haap and Chris Wood.

The Butler Reserve Volleyball Team had an overall Record of 9 wins and 11 losses, ending the season with four straight victories. The team consisted of all sophomores except for four juniors, Barb Elliott, Jenny Lehman, Jodi Pavka, and Ronda Ringo.

ON THE ROAD AGAIN

Mark Zawadzki Receives MVP

"On The Road Again" was definitly the theme for the 1981-82 boys Varsity Basketball team, as they were forced out of the somewhat awesome field house, because of a broken water vein. Over 9,000 gallons of water flooded the floor, and this forced the Aviators to play on foreign grounds that weren't too familiar to the young cagers. It was a rebuilding year for the Aviators, which played with ten juniors and three seniors. Even without the homecourt advantage and the inexperience, the Aviators finished with a winning season. With 12 wins and 9 losses the Aviators finished 5th in the MCC. The highlight of the season was definitely the Sidney game where the Sidney Yellow Jackets, which were previously ranked 3rd in the Journal Herald Rating, were upset by the hustling Aviators. The win came with a last second jumper by Capt. Jack Greer. Vandalia out scored their opponents by only one point, which proved that Butler played with a lot of close one or two point games. This gave the Fans a chance to cheer and cry, because the Aviators didn't always pull out the win. At the awards banquet, Capt. Jack Greer and junior Mark Zawadzki took home Top honors. With 69 Assists and 171 Rebounds, Mark took home both trophies for those catagories. Jack had a .482 Field Goal percentage, and a .673 Foul Shot percentage, which meant he took home both of those awards. Mark also received the Most Valuable Player Award; Honorable Mention, MCC Team was given to Greer and Zawadzki.

IF ONLY CLOSE COUNTED

Boys Reserve Basketball has a disappointing season.

The Boy's Reserve Basketball team concluded their season with a 5-14 record. A mere glance at the record, however, is deceiving, for many of these games were lost by only one or two points. Guard, Jeff Geise, was the most consistent player and lead in scoring with an average of 8.5 points per game. Mark Manis lead in assists and recoveries with 30 and 48 respectively. Sophomore center, Tim Gatzilus, ended the season with a leading total of 168 rebounds, an average of 8.8 per game. The highest percentage from the floor was 44% by Matt Steele.

The 1981 Varsity Soccer and Football Cheerleaders went to Kenyon College to a summer camp. While they were there, they received 1 honorable mention ribbon, 7 outstanding ribbons, and 8 superior ribbons. They also received a spirit key for the most spirited squad at camp. It's not polite to point.

Amy's big sister.

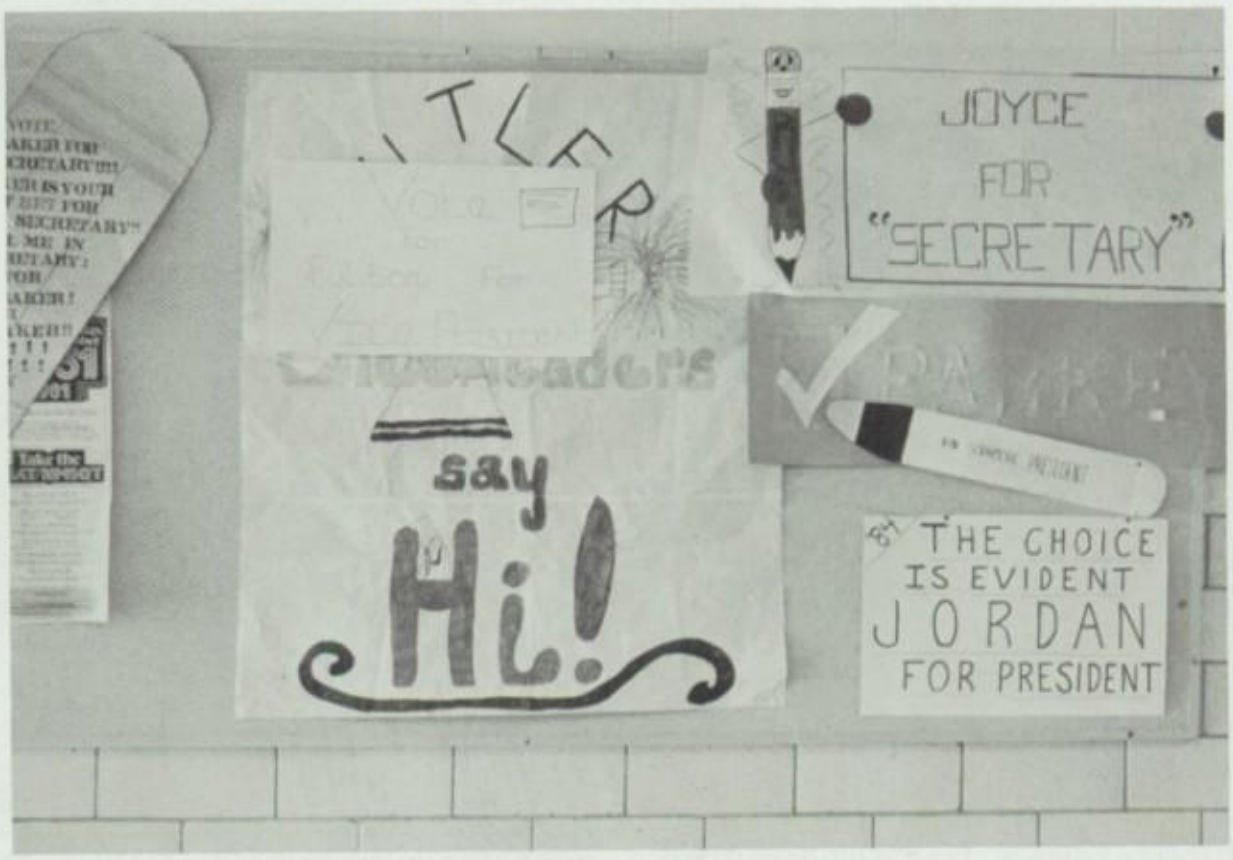
Gourmet gals.

They love to watch him strut.

She's still unconscious!

She's that type of girl.

Finger lickin' good.



The sophomores compete for power and prestige.

How did you ever get your finger caught in that?

What do you mean, there's a spaceman behind me?

Is it alive?

Yeah, I'm doing my homework!

Ouch! I bit my tongue.

Reach out, reach out and touch someone.

My contacts are stuck.

Wake up Jeff!

Get your finger out of your nose Matt!

Oh! Now I get it!

The suspense is unbearable.

Brian Heggs, come on down!

"Rice Kreuschpies"

Paper, Scissor, Rock.

College Preppy.

I'll never tell.

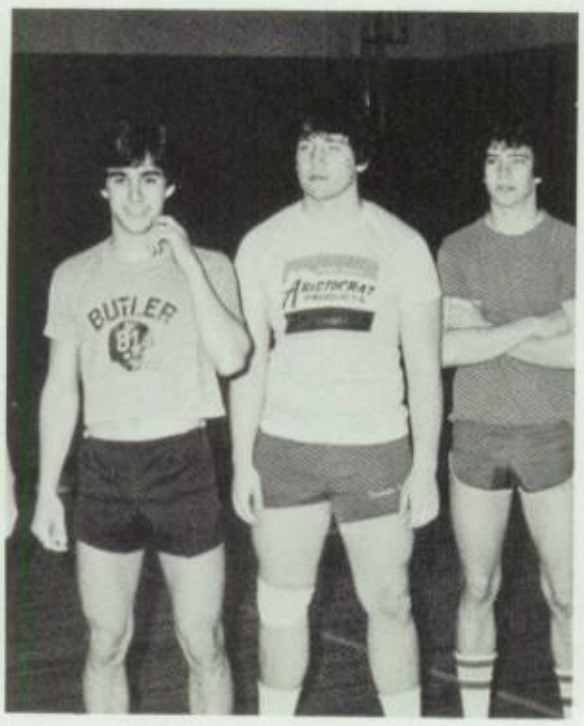
Ssshhhhh . . .!

Right to read week.

Popped bubbles; no troubles.

Triumphant at typing.

These new hand dryers are dangerous.



The guilty party step forward.

Sophomore sit-ups.

We're working!

The Pepsi generation.

Three cheers for coed gym.

Number three across: Mona . . .

Cover your answers.

Advanced Boredom 1-B.

Picture perfect.

Ha, ha Barry funny.

Two heads are better than none.

Chuck one up for Casada.

Boeing 707 to runway 8.

The Woodworking Company
750 Center Drive, Vandalia, Ohio 45377

As one of the greater Dayton area's fastest growing companies, we are genuinely interested in the resources we have to draw on locally. And, of course, people are one of the most important resources industry has.

We'd like to take this opportunity to thank our schools for turning out the bright young people who have helped make our company a success over the years. We know that the education received by members of the class of 1981 will help make all of you a credit to the community.

Whether you go on to college or enter the world of business and industry now, we wish you success and happiness.

Congratulations
